

Durgesh S Nadig

Senior Scientific Officer

Details of Academic Qualifications

- B.E in Mechanical Engineering from Karnataka University, Dharwad. (1984)
- M.Tech in Cryogenic Engineering from IIT Kharagpur.(1987)

Professional Experiences

- Scientific Officer Gr II from June 1997 to 2002.
- Scientific Officer Gr I from June 2002 to 2005.
- Senior Scientific Officer from June 2005 till date.

Area of interest

- Cryogenic treatment on metals and low temperature properties of materials

Research Projects as Principal Investigator

- "Cryogenic treatment on metals" funded by IISc-ISRO Space Technology Cell. (2003-2005)
- "Design of Cryotreatment system for Integral Diaphragm Pressure Transducers" funded by Liquid Propulsion System Centre, ISRO, Bangalore. (2007-2009)
- "Effect of cryotreatment on the mechanical properties of metals" funded by IISc-ISRO Space Technology Cell. (2011-2013)

Total number of publications: 21
